

THE PEP

***Transport, Health and Environment
Pan-European Programme***

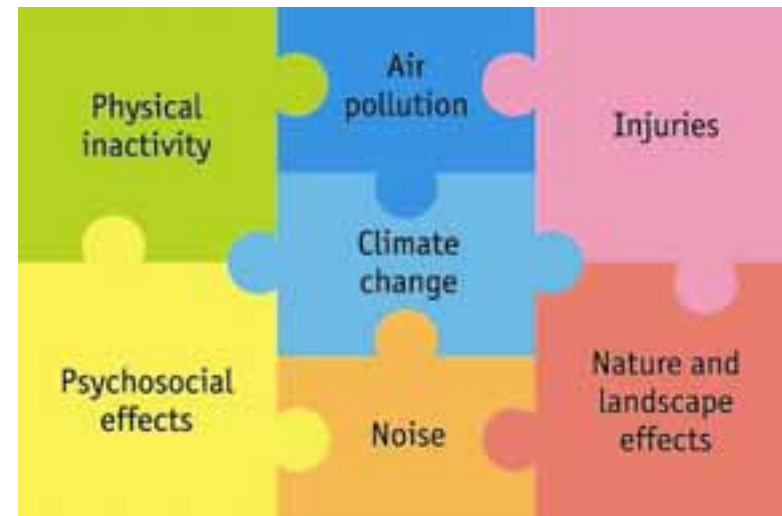

Making THE Link: The Transport, Health and Environment Pan-European Programme (THE PEP)

Challenges in Transport, Health and Environment

- Demand for mobility
- Shrinking space
- Wish to live well and longer

- **Transport impact on health & environment**
- **Capacity of the health sector to mend**

THE PEP from seed to plant

Transport Sector

1999 charter THE

2002 THE PEP

THE PEP priorities

- Integration of E&H aspects in transport policies
- Transport management towards sustainable mobility
- Urban transport
- Transition countries and sensitive areas

What is THE PEP?

- **Tri-partite policy framework for a larger Europe**
 - integration of environment and health concerns into transport policy
 - Transport, Health, Environment on equal footing
- **Integrated and holistic approach**
 - Air pollution, climate change, noise, injuries, nature and landscape effects, physical inactivity, psychosocial effects
- **Governance of THE PEP process:**
 - Steering Committee (annual): 3 sectors represented
 - THE PEP Bureau (biannual): guides the process
 - High-level Meeting (every 5 year): maps the future

The Amsterdam Declaration Goals for 2009-2014

- Sustainable *economic development*
- Sustainable and efficient *transport systems*
- Reducing transport related *emissions*
- Safe and healthy *modes of transport*

Mechanisms and tools of THE PEP

- Relay race
- THE PEP Clearing House
- Toolbox
- National Transport, Health and Environment Action Plans
- Partnerships

The Relay Race – Passing the baton

- Bringing together all 3 sectors through a series of workshops on
 - Integrated policy-making for sustainable urban transport
 - Safe and healthy urban walking and cycling
- Focus on local action
- Sharing international experience

THE PEP WORKSHOPS

A STAFFETTE RACE TO PROMOTE INTEGRATED POLICY APPROACHES TO SUSTAINABLE URBAN TRANSPORT

- September 2009 : Pruhonice (Czech Republic)
- June 2010 : Skpoje (Macedonia)
- September 2010 : Batumi (Georgia)
- June 2011 : Kyiv (Ukraine)

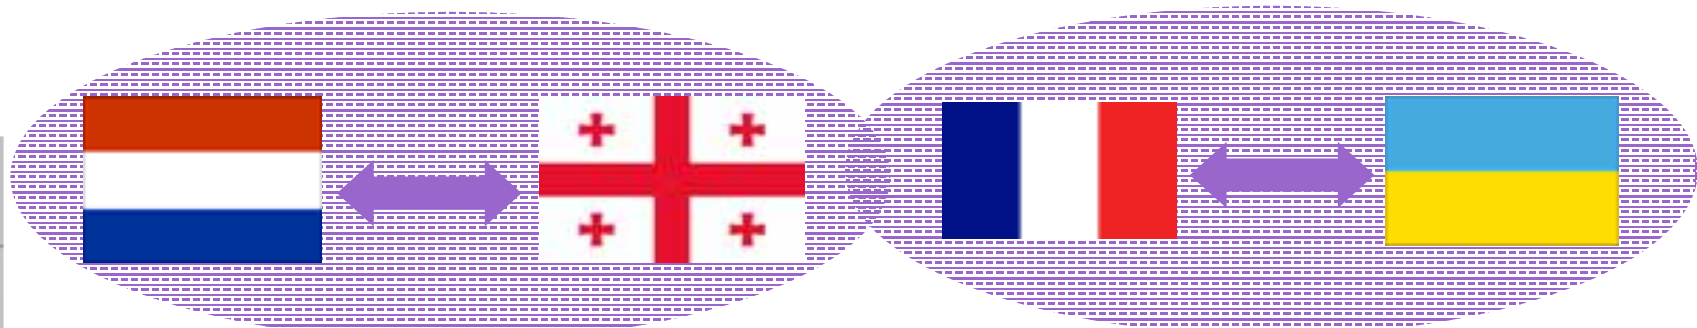

THE PEP PARTNERSHIP for a workshop

A win-win investment for a healthy and environmentally
transport policy

September 2010 : Dutch partnership for Batumi

June 2011 : French partnership for Kyiv

PREPARING THE WORKSHOP

A FACT-FINDING MISSION BY FRENCH EXPERTS MAY 2011

contacts with public authorities, NGOs, research institutes, field visits

a sprawling mobility

parking policy : a vital issue

urban transport policy : various approaches by various public

primary orientations

THE SEMINAR

working together for sustainable and healthy transport Kyiv
8-9 th June 2011

Challenges and opportunity for urban mobility in Ukraine

Ukraine and the region

Best practices from Europe

Technology for sustainable mobility

The Clearing House

- Web-based portal
- Exchange of knowledge and good practice
- Integrated policy approach
- Key areas:
 - transport, environment and health policy integration
 - environmental and health effects of transport
 - transport demand management
 - urban transport

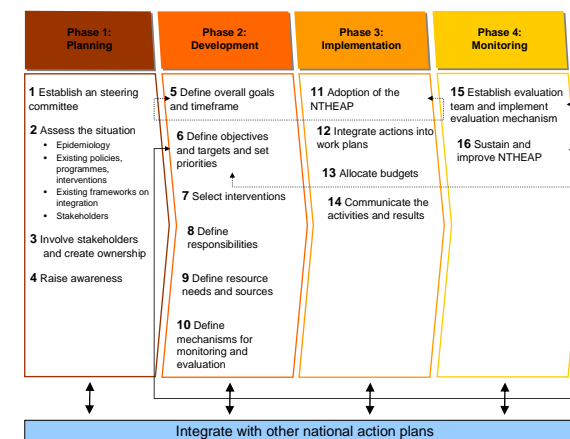

The Toolbox

- **Tools and methods to implement THE PEP**
 - evidence briefings
 - promising practices
 - workshops and tutorials

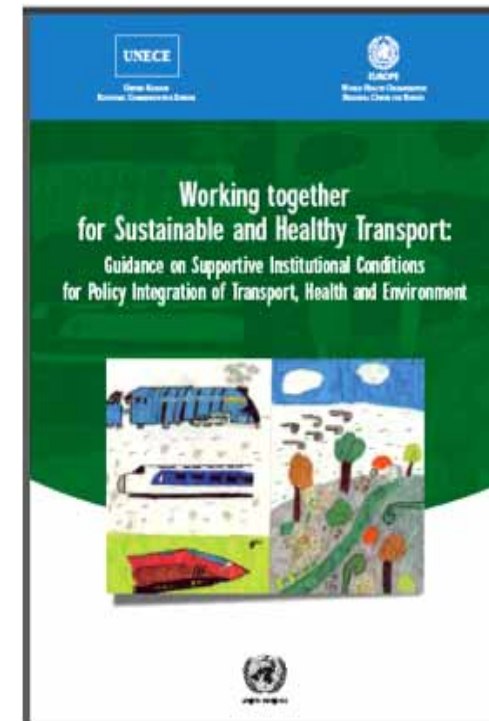

National THE action plans

- **Guidance for integrated action plans on THE**
 - practical implementation of policies on sustainable and healthy transport
 - addressing transport-related health and environmental impacts
 - increase transport efficiency
 - involve all relevant sectors
 - To be published spring 2012

The Partnerships

- Provide THE PEP with an effective mechanism to support the implementation of its workplan and of the work of Member States at the national level
- Strengthen ownership among potential partners;
- Provide a more solid and sustainable basis for resources made available for the implementation of THE PEP workplan
- Producing tools for implementing THE PEP:
 - Guidance for policy integration
 - Health Economic Assessment Tool for walking and cycling
 - Technical assistance for the development of NTHEAPs
 - Information-sharing and dissemination
 - ...
