cyclistunion
Traffic

- Driving habits
- Pedestrian crossings
- Seatbelts compulsory on the highway
examples
examples
Batumi cycling capital at the Black Sea 2011?

- A 20 km long cycle path for recreation
- Old city centre
  - A network of cycle streets
  - Wide walkways
  - No through traffic
  - Traffic calming
- Larger network outside the centre
Walking school bus

- It is safe because it is a group of children
- It saves time for the parents
- Suitable for short distances
- Adjust the street in front of the school
- Many teachers have experience
- When will children be allowed to cycle to school?
Make bicycles available

- Tourist office will buy bicycles
- Tourists can rent them at the hotels
- What about inhabitants?
- What about economics?
- What about children?
Next step?

- What is your goal in 2015?
- How to expand the network of Batumi?
- What activities are possible in the boulevard?
- What about other cities in Adjara?
- What about a cycle path around the Black Sea?
