

Questionnaire for reporting on progress made on the attainment of the Paris Goals

Background and purpose of this questionnaire:

Following the Fourth High-level Meeting on Transport, Health and Environment (4HLM) in Paris on 14-16 April 2014, THE PEP is continuing to conduct its yearly surveying of Member States on the developments in achieving the goals of the Amsterdam Declaration from 2009 and the Paris Declaration since 2014. These replies were used for a regional overview on progress made at the 13th Session of the Steering Committee of THE PEP in November 2015.

The answers below were submitted by the listed THE PEP focal point(s) to THE PEP secretariat in fall 2015 and are provided here in an unedited version.
