Please report any particular circumstances that have a major impact on the context for the implementation of THE PEP in your country. For example, whether the decision-making structure is federal and/or decentralized and whether financial constraints are a significant obstacle to implementation.

Centralized decision-making structure on national level with responsibilities for implementation on local (municipal) level. Financial constraints had impact on limitation of activities; after substantial restructuring and re-organization on national level as well as on sub-national (county) level (county administrations were cancelled) in 2009-2010. Amendments in strategic planning and on municipalities level still calls for careful and clear allocation of finances and identification of sources.
