

**Strengthening the integration of health and environmental aspects
into transport policies in Central Asian countries**

Venue: Office of the Regional Environmental Centre for
Central Asia (CAREC) A15D5B3, 40, Orbita-1

Programme

20 November 2018

9.30 – 9.50	<p>Official Opening of the Conference. Welcoming addresses:</p> <p>Ms. Virginia Fusé and Ms. Carolin Sanz Noriega, United Nations Economic Commission for Europe Ms. Nino Sharashidze, WHO THE PEP secretariat Mr. Iskandar Abdullaev, CAREC Executive Director Representative from Kazakhstan)</p>
9.50 – 10.05	<p>General introduction of the Workshop and its programme Ms. Virginia Fusé</p>
	<p>Session 1. On protecting health by reducing emissions of transport-related greenhouse gases, air pollution and noise Moderator: Mr. Vadim Donchenko, Scientific Director, JSC «NIIAT» Russian Federation</p>
10.05 – 10.15	<p>Introduction to the UNECE Convention on Long-range Transboundary Air Pollution Ms. Carolin Sanz Noriega</p>
10.15 – 10.30	<p>Reducing emissions of transport-related greenhouse gases, air pollution and noise through THE PEP and other international frameworks Mr. Petter Christiansen, Senior Research Officer Institute of Transport Economics, Norway</p>
10.30 – 10.50	<p>Protecting health by reducing emissions of transport-related greenhouse gasses, air pollution and noise in Kazakhstan Presentation from the perspective of transport, health and environment</p>
10.50 – 11.00	<p>Protecting health by reducing emissions of transport-related greenhouse gasses, air pollution and noise in cities – Almaty experience Presentation from the perspective of transport, health and environment</p>
11.00 – 11.20	<p>Protecting health by reducing emissions of transport-related greenhouse gases, air pollution and noise in in Kyrgyzstan Presentation from the perspective of transport, health and environment</p>
11.20 – 11.35	<p>Coffee break</p>
11.35 – 11.50	<p>Protecting health by reducing emissions of transport-related greenhouse gases, air pollution and noise in Tajikistan</p>

	Presentation from the perspective of transport, health and environment
11.50 – 12.00	<i>Protecting health by reducing emissions of transport-related greenhouse gases, air pollution and noise in Turkmenistan</i>
	Presentation from the perspective of transport, health and environment
12.00 – 13.10	Lunch break
13.10 – 14.15	Group work on possible synergies among the three sectors nationally and internationally
14.15 – 15.00	Report on group work. Each group will report on the outcome of the group work (5 minutes per group)
15.00 – 15.30	Discussion from feedback from group work Moderator: Ms. Irina Bekmirzaeva, CAREC
15.30 – 15.50	Coffee break
15.50 – 16.05	CAREC Environment and Health programme: goals, tasks and opportunities Ms. Irina Bekmirzaeva, Manager, CAREC
16.05 – 16.20	Introduction to the Assistance Programme of the UNECE Convention on Long-range Transboundary Air Pollution Ms. Carolin Sanz Noriega
16.20 – 17.00	Wrap up discussion Reducing emissions of transport-related greenhouse gases, air pollution and noise through THE PEP and other international frameworks. What are the main point that the five countries would like to highlight in view of THE PEP High-level Meeting in 2019. Moderator: Mr. Vadim Donchenko

21 November 2018

	Session 2 on integrating transport, health and environmental objectives into urban and spatial planning policies Moderator: Mr. Vadim Donchenko
9.30 – 9.45	<i>Integrating transport, health and environmental objectives into urban and spatial planning policies through THE PEP and other international frameworks</i> Ms. Sylvie Banoun Ministère de la transition écologique et solidaire, France
9.45 – 10.10	<i>Health impact of the transport and supportive policy tools for decision makers</i> Ms. Nino Sharashidze, WHO
10.10 – 10.20	<i>Integrating transport, health and environmental objectives into urban and spatial planning policies in Turkmenistan</i>
	Presentation from the perspective of transport, health and environment
10.20 – 10.35	<i>Integrating transport, health and environmental objectives into urban and spatial planning policies in Tajikistan</i>
	Presentation from the perspective of transport, health and environment
10.35 – 10.55	<i>Integrating transport, health and environmental objectives into urban and spatial planning policies in Kyrgyzstan</i>
	Presentation from the perspective of transport, health and environment
10.55 – 11.15	Coffee break
11.15 – 11.35	<i>Integrating transport, health and environmental objectives into urban and spatial planning policies in Kazakhstan</i>
	Presentation from the perspective of transport, health and environment

11.35 – 11.45	<i>Integrating transport, health and environmental objectives into urban and spatial planning policies in cities – Almaty experience</i> Presentation from the perspective of transport, health and environment
11.45 – 11.055	<i>“Transport as an accelerator of the Sustainable development”</i> Ms. Irina Goryunova, Assistant Resident Representative UNDP Kazakhstan
11.55 – 12.00	<i>City Almaty sustainable transport strategy. Outcomes of UNDP project and current activities</i> Ms. Yelena Yerzakovich, was manager of the project, now concluded
12.00 – 12.15	<i>How can the UNECE Convention on Long-range Transboundary Air Pollution contribute to THE PEP Goal 5</i> Ms. Carolin Sanz Noriega
12.15 – 13.15	Lunch break
13.15 – 14.15	Group work on possible synergies among the three sectors nationally and internationally
14.15 – 15.00	Report on group work. Each group will report on the outcome of the group work (5 minutes per group)
15.00 – 15.30	Discussion from feedback from group work Moderator: Mr. Irina Goryunova, UNDP
15.30 – 15.50	Coffee break
15.50 – 16.20	<i>Wrap up discussion on integrating transport, health and environmental objectives into urban and spatial planning policies through THE PEP and other international frameworks. What are the main point that the five countries would like to highlight in view of THE PEP High-level Meeting in 2019.</i> Moderator: Mr. Vadim Donchenko
16.20 – 17.10	<i>Central Asia countries in view of the Fifth High-level Meeting on Transport, Health and Environment, overall conclusions and messages to Vienna</i>
17.10 – 17.30	Closing of the meeting
