Side Event in the framework of the 5th High-level Ministerial Meeting of the Transport, Health and Environment Pan-European Programme (THE PEP)

Collaboration towards seamless and safe cycling in the pan-European region – the role of the pan-European cycling network

Tuesday, May 11, 2021
10:30am-11:45am

PURPOSE
- To present the infrastructure module for the pan-European Cycling Masterplan;
- To discuss the importance of harmonisation of infrastructure standards and definitions as a prerequisite for the development of safe cycling facilities that will grant the required comfort and safety for cyclists;
- To discuss ways for accelerating the development of the pan-European cycling network.

1. Opening (Robert Thaler, Chair of THE PEP, Head of Division for Active Mobility and Mobility Management, Federal Ministry for Climate Action, Environment, Energy, Mobility, Innovation and Technology, Austria)

2. Prerequisites for seamless and safe cycling in the pan-European region
   a. Harmonized infrastructure design standards and road signs (Aleksander Buczynski, ECF)
   b. Infrastructure module for the pan-European Master Plan for Cycling Promotion (Anna-Lena Scherer, CONEBI-WBIA; Ed Lancaster, ECF; Lukasz Wyrowski, UNECE)

3. Guideline for defining and developing national networks (Andreas Friedwagner, Verracon)

4. Think pan-European, act locally – good practice in developing national and local networks to form pan-European network
   a. Slovenia (Gregor Steklačič, Sustainable Mobility and Transport Policy Directorate, Ministry of Infrastructure)
   b. Hungary (Miklós Berencsi, Centre for Development of Active and Ecotourism)

5. Panel discussion – ways to accelerate cycling network development (Bob Margevicius, Specialized; Jill Warren, ECF; Konstantinos Akeofilopoulos, UNECE)

Registration
To attend this Side Event, please register for Webinar 10 on the event page:
https://hopin.com/events/the-pep-vienna-2021
Participants are also invited to register their interests for the various side-events.
