Oasis for biker
Ecology benefits
CAR or BIKE?  CAR and BIKE?
Re: Partnership on Active Mobility - Azerbaijan sign several agreements on renewable energy sources

First of all, Azerbaijan, UAE’s Masdar company sign several agreements on renewable energy sources. Second, President of the Republic of Azerbaijan Ilham Aliyev attended a groundbreaking ceremony for Garadagh Solar Power Plant. I’ve sent you a link with detailed information: https://en.trend.az/business/energy/3569144.html

Azerbaijan, UAE’s Masdar company sign several agreements on renewable energy sources (PHOTO) - Trend,Az

The signing ceremony of four memorandums of understanding between Azerbaijan and UAE’s Masdar company on cooperation in renewable energy production was held in Baku, Trend’s correspondent ...

Success

- Bike lane in Shih opened in 2012
- Bake lane in Baku opened in 2012
Challenge

- Former city authority liquidated tramway in 2004
- Unsafety roads and absence of cycling paths
- Negotiating about reestablish tramway in Baku soon (White city project)
Function is more important than that...
Thank you !!!
